Many cases of "Grippe" have lately been cured by One Minute Cough Cure. This prepared seems especially adapted to the cure of this disease. It acts quickly, thus preventing serious complications and bad effects in which this disease often leaves the patient. —Boschert & Williams.

The diplomas were presented in a nice little speech by Miss Lizzie Frazier, four sistant superintendent.

Shaw.

Tuesday May 4, '97.—The inhabitants of this burg were entertained in a most delightful manner last Monday night by the Schuyler Family String Quartet. It was without doubt the best entertainment we have ever had. The musical talent exhibited was worthy of a crowded house, but for some cause or other the attendance was not up to the average. We suppose that it was on account of the people having been fooled so often heretofore by different fake shows traveling through the country.

W. H. Nation was over at his farm Sunday.

The phonograph man took in a few of the spare nickels among the boys last Monday.

Nick Hoopengartner and Luther Cone spent last Sunday among their many old friends in Shaw.

A long felt want has been supplied in Shaw. Dr. Newton who has spent about a dozen years in the medical profession, has located here and will no doubt be successful in attending to the relief of the sick.

Our friend Yockey, foreman of the R. R. section, corralled a fine swarm of bees a few days ago. They settled on the right-of-way near the depot, and he availed himself of the privilege of taking away such an unwelcome encumbrance.

Why don't some of you creamery people come down here and start up a skimming station? There are more good milk cows, greater acreage of tame pasture, and better facilities otherwise for such an enterprise than anywhere else in Neosho county.

Jap McCann has a span of the finest young mules in the country, but they almost became too much for him last week when they became unruly, upset the wagon, spilled out the load of young cattle, and got Jap considerably bruised and tangled up among the parts of the wreck. He was not seriously hurt, however, and in a few hours he and his mules resumed their journey toward Chanute.
